

Video - Grant Folder Overview for Grantees

As of June 11, 2021, the DUNS number has been replaced with the UEI, in many places in the EHBs. For more information please check out: [Transition to Unique Entity Identifier \(UEI\)](#)

Grant Folder Overview for Grantees

This video provides a walk through of the Grant Folder for Grantees. Grantees will learn how to navigate to the Grant Folder, find helpful information about the grant, manage users, work on submissions, and request prior approvals.

This Video Walks Through:

- How to find information about a grant in the Grant folder
- How to manage users for a grant
- How to work on submissions for a grant
- How to request prior approvals for a grant
